

UCLA DATA COUNCIL – MEETING AGENDA

March 15, 2005 – A244 Murphy

Agenda

1. PPS and book-of-record directory data.
2. Decision on what Campus Directory fields, if any, individual employees should be enabled to update via the web.
 - Fields are: email address, campus office location, mail code, department name, campus phone number, working title, fax number and URL.
 - IT Planning Board input from their 1/31/2005 meeting was “the Board suggested allowing self updates, but with notification when updates are made.”
3. Local policies and procedures about data access/use.
4. Other.
