

UCLA DATA COUNCIL – MEETING AGENDA

May 17, 2005 – A244 Murphy

Agenda

1. Decision on what Campus Directory fields, if any, individual employees should be enabled to update via the web. [Complete discussion, make decision]
 - Fields are: email address, campus office location, mail code, department name, campus phone number, working title, fax number and URL.
 - IT Planning Board input from their 1/31/2005 meeting was “the Board suggested allowing self updates, but with notification when updates are made.”
2. Update on SB1386 policy (Policy 420) [Comment and input]
3. Update on Minimum Security Standards for Devices Connecting to the UCLA Network (Policy 401) [Informational]
4. Restricted data policy [Begin discussion]
5. Data Center survey results (data inventory request from last year) if available. [Begin discussion]
6. Local policies and procedures about data access/use.
7. Other.
